

Hi Friend

Trinity Church is excited for our *Here for Good* Capital Campaign. In this three-year campaign, we have a tremendous opportunity to strengthen our ministry while expanding our outreach to make a difference for Jesus in our church, community and the world. We believe that God has given us a clear mission and vision to connect people to Christ as we gather, grow, give and go.

Some recent ministry excitement includes:

- Trinity Kids had more than 1000 people attend Boo Bash last month.
- Through our Little Miracles Ministry, we are helping 36 moms and their families with some specific needs in November.
- Partnering with First Lutheran in North Omaha, we are providing Thanksgiving meals to families in need.

These are just a few of the many ways that the body of Christ is making a difference.

The Here for Good campaign has two parts

1. Financial gifts to Here for Good Capital Campaign cover our monthly mortgage payment and the debt reduction of our building.
2. Financial gifts to the General Fund 2025 go toward the day-to-day mission and ministry of Trinity Church.

If this excites you, as it does us, we invite you to prayerfully consider partnering with Trinity Church and our intention is to remain Here for Good. We invite all call Trinity their church home to prayerfully consider joining in this campaign. It's so simple. Review the contents in this envelope, reach out with any questions, and then complete the intention card. Every gift matters. Return your card by putting it in the offering plate next Sunday or mailing it to the church office (848 Gold Coast Rd, Papillion, NE 68046) by November 17. There is also a QR code on the card if you would like to share your intentions electronically.

We are grateful to be on this journey with Jesus and you.
